In order to participate in athletics here at Beach, students must be passing six out of seven classes. If a student had 2 F's, they would be considered ineligible. Two D's also equal one F. Therefore, if a student had an F and two D's they would be ineligible. Four D's would also make a student ineligible. Eligibility is checked throughout the season.

Refer to our website for more athletics information.

The high school web site is www.chelseabulldogs.net. The middle school site is beachathletics@weebly.com.

Athletes must have a signed code of conduct on file each school year. These will be sent via email by our athletics secretary once coaches submit final rosters.

It has been phenomenal to see the levels of participation in athletics here at Beach Middle School. We certainly look forward to your child being part of Chelsea Athletics for the coming years. Please do not hesitate to contact me should you have any questions regarding middle school athletics.

As always,
GO BULLDOGS!!
